Small Business Web Packages

modMACRO – web technologies / small business solutions

modMACRO is known for creating tailor-made websites and information systems for small business. In keeping with our small business heritage, we've introduced Small Business Web Packages. They're designed specifically for startups and smaller firms who need a quick, inexpensive solution to web presence.

Simple and Complete

Our Web Packages include everything you need, and nothing you don't. Built on proven web technologies, and a solid platform, **you'll have a clean, professional website for your small business in a matter of days**. We take care of everything so you don't have to.

Flexible, Affordable Plans

Plans start at just $30 per month. You can upgrade, downgrade, or cancel your service at any time. There are no long-term contracts or penalties.

A Scalable, Long-term Solution

Our Web Packages are a cost-effective option for small businesses and start-ups. But **you'll never be trapped in a box**. Our solutions can always be customized and upgraded later, or migrated to a fully custom solution. After all, we're a web development company. We can build anything you need.

"We highly recommend modMACRO to anyone with website or marketing needs. We're very pleased with their work."

-- Tamara Fleischmann
Redhawk Engineering

Get Started

1. Select a Package

Select the package that fits your needs. See details on the next page.

2. Choose a Theme

Choose the theme that suits your business. Themes provide a ready-to-go look for your website.

3. Send Payment

Send the initial payment for installation and setup and the first month of service. Your site will be live in a few days.
